BenQ Entertainment Monitor EW2480

Be Immersed in Your Audiovisual Entertainment

HDRi Brings Your Visual Experience Up to a Brand-New Level

With HDRi, you can always figure out what's going on in the darkness. HDRi offers intelligent clarity adjustment for clear and realistic details in the darkness. Stunning images come from intelligent brightness control plus emulated HDR. Every move and every image immerse you into the exhilarating cinematic world.

In Awe of Every Touching Moment

Be indulged in the movie world with mid-range sounds as well as with well-defined high end sounds, right sounds intensify your immersion. Experience every striking beat with the speakers, allowing yourself to be moved.

Preset Sound Modes

Cinema :
mind-blowing for any action

Pop/Live :
get you there in the scene

Dialog/Vocal :
clarity means understanding

Your Entertainment Your Way

Easy access to adjust the volume or any of your preferred settings makes you enjoy your favorite movies. Your Saturday night movie marathon will go non-stop for it's easy to switch from PC to laptop to access your desired content with a clean work space.
